Completing Your Exam

1. Submit Your Exam: Once you have completed your exam, notify your proctor and they will walk you through the submission procedure. You will click the Submit button and then click the “End Proctoring Session” button.

The screenshot shows the exam interface. On the left, there is a question: "7. Compare and contrast the Democratic Party and the Whig Party of the 1830s and 1840s. Focus on two of the following: government in the economy, social reform, westward expansion." Below the question is a text input field. At the bottom of the question area, there is a blue "Submit" button with a red arrow pointing to it. On the right, there is a sidebar titled "Proctoring Instructions". It contains the text: "What now? Once you have finished taking your exam and you are sure you have submitted all required documents you can end your proctoring session by clicking the End Proctoring Session Button." Below this text is a blue button that says "END PROCTORING SESSION" with a star icon, also highlighted with a red arrow. Below the sidebar is a video feed of a proctor with a "Rec" indicator.
